We are Alter Domus.

Since 2003, we've been working hard to become the leading, high-quality, and tech-driven partner to investors in alternative assets globally. That's why many of the world's leading asset managers, lenders and asset owners are already Alter Domus clients.

We're large enough to be truly global, yet small and agile enough to work fast. Join our team of 4,100 fund administration, accounting, tax and legal experts in more than 36 cities and have pride in being alternative.

At Alter Domus Jersey, we regularly hire for entry level roles across our business areas. If you have strong communication skills and a determination to succeed, invest yourself in the alternative with us.
