An aerial photograph of the Royal Holloway campus. The central focus is the Founder's Building, a large, ornate red brick structure with white stone accents, featuring a prominent clock tower with two clock faces. The building is surrounded by a green lawn and a walkway. In the background, there are more campus buildings and a dense line of trees under a clear blue sky.

Royal Holloway's beautiful campus and surrounding area are a great place to live. You can choose from a great range of accommodation. Each hall of residence has its own identity, from the unique character of the Victorian Founder's Building to our newest townhouse accommodation, George Eliot Halls. All make comfortable homes providing good value for money so you can make the most of your time at university.

Each hall has a team of residential, operational, security and maintenance support staff dedicated to settling you in. So there's always someone there who will be happy to help you feel at home.
