Learning courses available online

Online platforms providing short, free courses are a good way to see if digital learning suits you and the subject material.

These following platforms offer short, bite size courses to get you started:

- Future Learn - Online courses, programmes and degrees created by leading universities, business schools and specialist organisations.
- Open Learn - Choose from a wide range of subjects.
- The Skills Toolkit – Free digital and numeracy courses to build your skills.
- Alison – A range of free online courses

If you want to research other free online learning courses, Digital Jersey have a video on choosing a free online course.
