Onogo are Elite Amazon Sellers. Ranked in the top 1000 of 2.5 million globally. We power over a million marketplace sales per annum.

Our focus on fantastic service is epitomised by a 98% positive customer feedback score.

## Who are we?

We love technology, brands and making things work in competitive environments and our success derives from clever technology, insights, knowledge and our team experience and culture of driving successful outcomes for our partners and ourselves.

We have a team of over 70 people and each of us plays a key role in our success. Our culture is everything to us at Onogo and we value every individual for the personal contribution they make.

## What do we do?

Our goal is to provide the best online value and service through various platforms, including Amazon. We've developed bespoke software and business practices to enable us to power over a million marketplace sales per year.

We carry in excess of 5000 lines across 6 categories. Dispatching up to 4000 orders globally per day, we take one order every 20 seconds.

The range of career opportunities we offer as a business is vast, each area is critical to our success and we can offer roles that you may have thought didn't exist in Jersey, with a business that is truly unique.

## Team Focus: Finance

Our finance team manages a business with a £2 million monthly turnover, ensuring all suppliers are paid on time and building relationships with the people we deal with. We make sure that the income from the thousands of sales we generate all adds up and is properly accounted for.

We also pay the 70+ staff that contribute to the success of Onogo - which I'm sure our team would agree is a pretty important job!

### How do you contribute to the success of Onogo?

Dealing with the challenges of a busy, fast moving business, quickly and efficiently. Using one of our core values "Kaizen", which is a Japanese philosophy of constant improvement.

### Describe the types of roles/opportunities in your team

We are a fast growing tech organisation, and our finance team can offer exposure to administration, purchase ledger, sales ledger and reconciliations. Allowing you to learn about how important the numbers are in a commercial business.

### What are the challenges of the role?

Some days we face more challenges than others, it can be IT related, meeting deadlines, adapting to change, but we take it all in our stride!

### What skills/experience do you need?

Good English and Math as well as strong IT Skills - after all we are a tech-driven e-commerce business!

### What development opportunities are available?

"Meritocracy" is another of our core values; we believe in rewarding based on your own merit, so everyone has the opportunity to develop in our business.

Within Finance you can advance and develop your skills in bookkeeping and accountancy.
