

Study Nursing or Midwifery in Jersey with the University of Chester

You can study for the Adult Nursing degree on island – what are the benefits?

Affordability: Studying for a degree in Jersey is significantly cheaper than studying off-island

Live at home: Closer to friends and family

Smaller classes: Typically classes in Jersey are around 10 - 20 students

Employability and promotion: Academic study widens career opportunities

Excellence: The degree is in partnership with the University of Chester

Contact us for details about the degree programme
Email: preregteam@health.gov.je

If you are interested in accessing a career in Midwifery, Mental Health Nursing or Children's Nursing, contact Health and Community Services higher education department by emailing: preregteam@health.gov.je; the model combines accessing the taught component off island and the practice placements on island

If you are a registered nurse/midwife or allied health professional and wish to access an academic award email: postregteam@gov.je
