ACADEMIC EXCELLENCE

EHL is the only hospitality management school to have US and Swiss accreditation. This measure of academic quality ensures that our students can transfer credits and our graduates can continue studies with other universities around the world.

Recognized as a University of Applied Science by the Swiss Federal Government

Accredited by the New England Commission on Higher Education, recognized by the US Secretary of Education

Recognized by all European universities.

POWERFUL NETWORK

Over 125 years, EHL has formed countless leaders and created the hospitality industry's largest and most active university alumni group. This community stays with graduates for life, connecting to resources, opportunities and a feeling of family wherever they go.

BECOME A CHANGE AGENT WITH EHL

EHL is the only Hospitality Management School with an Innovation park located next to its main campus. Students go through R&D workshops in their preparatory year, run pilots for big Food & Beverage companies and can even do their internship at their own startup housed on the innovation park.

A BENCHMARK CAMPUS

Our campuses feature top-notch facilities and are designed to offer the best learning conditions. EHL endeavours to develop a global benchmark for its campuses.
